BALLYNEAL FOUNDATION EDUCATIONAL GRANT RENEWAL APPLICATION

In order for this application to be reviewed, please provide the following information no later than January 24th, 2022.

The number of grant awards varies at the discretion of the Ballyneal Foundation. Incomplete applications will not be considered for an award.

1. Completed application.
2. Updated applicant photo.
3. Latest year educational transcript.
4. One letter of recommendation from a current teacher/instructor, community member, Ballyneal member, or golf industry professional.
5. Provide a short, simple video of yourself answering one question below appropriate to your renewal year. If currently in or enrolling in a trade, technical school, or nontraditional program, choose the one question you feel strongest about.

BALLYNEAL FOUNDATION
EDUCATIONAL GRANT APPLICATION

Year 2/First Renewal

"You've got one year of college under your belt. Nice job! Tell us briefly in a short video if that college experience has resulted in any personal growth. Think how far you've come in one short year. Looking back- did working at Ballyneal or being in the golf industry have any influence? Not necessarily the money from the educational grant, but through the people, values, or associations you made in your time there."

Year 3/Second Renewal

"You're halfway through college. That went pretty quickly, didn't it? Please provide a short video that briefly describes something from your time at Ballyneal or in the golf industry that you would never have imagined would come back to help you progress toward your personal goals."

Year 4/Third Renewal

"Congratulations- Almost there! As a rising senior, your goals are now firmly in sight. Please provide a short video that describes those goals for life going forward after college. Did your time at Ballyneal or in the golf industry continue to help shape your view? If so, how?"

Outside Interests

Please tell us a little about your new life. What activities are you involved in? It could be an internship or part-time job, or an organization such as a fraternity or sorority, sports, or clubs that interest you. Have you volunteered somewhere to help out? Did you receive any honors or awards, academic or otherwise? Short and sweet, give us a peek into your life away from the Holyoke area. Feel free to use additional space if you wish.
